SPECIAL RULES

Parachute Machine-gun Platoon - p.254

Parachute Machine-gun Platoons may make Combat Attachments to Combat Platoons.

Parachute Rifle Company HQ - p.253

Parachute platoons operate with both a first and second lieutenant because they are split across two aircraft when they jump. That way both aircraft have an officer aboard.

To reflect this, parachute platoons have two Command teams. Only the first of these teams acts as the Platoon Command team while it survives. The other counts as a normal Rifle/MG team until the first Command team is Destroyed. When the first Command team is Destroyed, the second Command team immediately takes over as the Platoon Command team.
