Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.
.50 cal Vehicle MG	16"/40cm	3	4	5+	ROF 1 if other weapons fire.

SPECIAL RULES

Corps Tank Platoon - p.288

Corps Tank Platoons use the Tank Telephone special rule on page 230.

Rifle Platoon (2nd I.D.) - p.263

A Rifle Platoon from the 2nd Infantry Division or 29th Infantry Division may replace up to one SMG or Pioneer Rifle team per Rifle Platoon with a Flame-thrower team at the start of the game before deployment.

Tank Destroyer Company HQ (Trained) - p.277

Hedgerow Cutters

When a tank fitted with a hedgerow cutter attempts to cross a Bocage Hedgerow, it successfully crosses on a roll of 2+ rather than a Skill Test. If it fails, the tank Bogs Down on the hedgerow as normal, but ignores the Belly Up rule (see page 58 of the rulebook).

If it crosses successfully, then any other Fully-tracked Tank teams adjacent to the hedgerow can follow it through on a roll of 2+ instead of a Skill Test as well.

Tank Telephones

All Stuart and Sherman tanks (except those in a DD Tank Platoon) are equipped with Tank Telephones.

If a Tank team with a Tank Telephone and an adjacent Infantry team did not move in the Movement Step and are not Pinned Down, the Infantry team can use the Eyes and Ears rule (see page 195 of the rulebook) to Reveal one Gone to Ground enemy team to that Tank team as if the Infantry team was a recon team.

If other tanks in the platoon fire, they must have their own Infantry team pointing out the target, or continue to treat the target as Gone to Ground.

All platoons with a Rifle Company divisional symbol must have the same symbol.

M20 Scout cars from a Tank Destroyer Company HQ are Recon teams.

Tank Destroyer Platoon (Trained) - p.277

A Tank Destroyer Platoon uses the US Tank Destroyers special rules found on page 238 of the rulebook.
